

1. Open Internet Explorer.

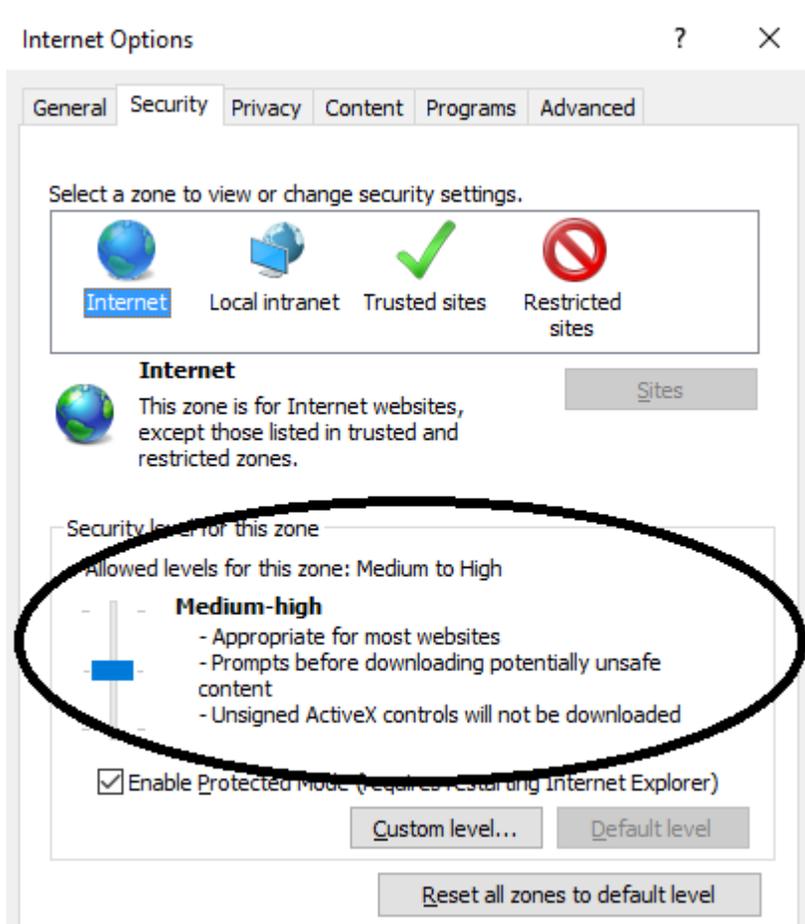

2. Click the **Settings** icon, which is the icon of a gear/wheel located in the upper right corner of the browser window.

3. Select **Internet Options** from the menu that appears.

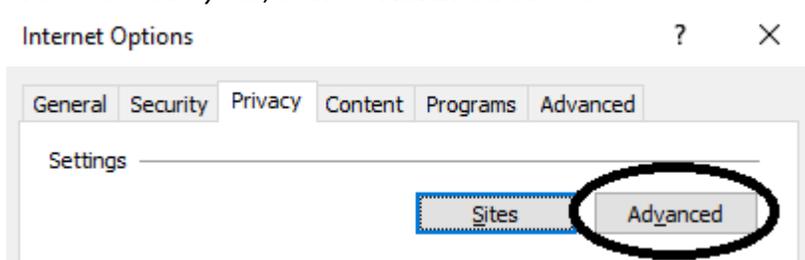

4. On the *Internet Options* window that appears, click the **Security** tab.

5. On the *Security* tab, click the **Internet** icon so that it is highlighted. Make sure the security level is set no higher than **Medium-High**.

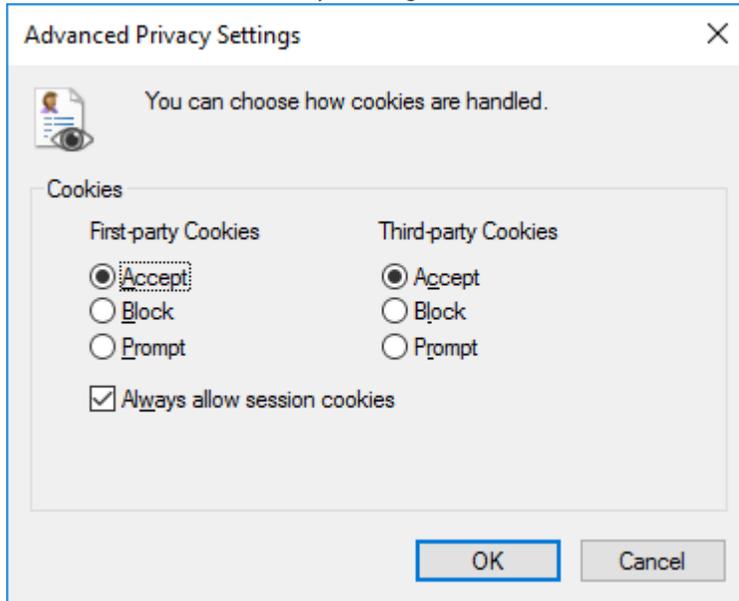

6. On the *Internet Options* window, click the **Privacy** tab.

7. On the *Security* tab, click the **Advanced** button.

8. On the *Advanced Privacy Settings* window, make sure the Cookies options are set to **Accept**.

9. Click the **OK** button on the *Advanced Privacy Settings* window and the **OK** button on the *Internet Options* window.
