

Website Disclosures

These disclosures are intended to increase awareness among both residents and families as to the availability of compliance information maintained by the Department of Health with regards to residential health care facilities.

The websites below are designed for you to look up and review complaints, citations, inspections, enforcement actions, and penalties taken against the facility. On both web sites, select the nursing home name in the dropdown menu and you can view information pertaining to quality, complaints, inspection results including citations and enforcement actions against the nursing facility.

1. New York State Nursing Home Profiles website maintained by the New York State Department of Health can be found at:

https://profiles.health.ny.gov/nursing_home/#5.79/42.868/-76.809

2. The Nursing Home Compare website maintained by the United States Department of Health and Human Services:

<https://www.medicare.gov/care-compare/?providerType=NursingHome&redirect=true>
