## Visitor Fact Sheet

### WHAT TO EXPECT WHEN VISITING

Updated October 1<sup>st</sup>, 2022

We have a screener scheduled at the front door daily from 9am - 5pm. Visits are permitted outside of this schedule and any time of a residents choosing. We encourage 2 visitors at a time inside and up to 4 visitors at a time in our courtyard.

(Please notify us in advance if you are bringing more than 2 visitors so we can accommodate)

- 1) All visitors must arrive at the main entrance of the facility and must present with a verified negative COVID test result within the last 24 hours.
- 2) All visitors must arrive at facility with mask covering nose and mouth. Visitors will be provided a medical grade mask and it must remain in place when you are around any residents.
- 3) The safest practice is for residents and visitors to wear face coverings or masks and physically distance, particularly if either of them is an increased risk for severe disease or are unvaccinated.
- 4) All visitors will have to check in at the (registry area) for temperature check, completion of COVID screening tool, prior to visitation. It is recommended you arrive five minutes prior to scheduled visit for this to be completed.
- 5) All visitors will be asked to wash hands with soap and water, or use hand sanitizer prior to leaving the check in area.
- 6) All visitors under the age of 16 must be accompanied by someone over 18.
- 7) Visits will be held in a designated area. Visitors must go directly to the designated area to limit movement throughout the facility. Whenever possible, visits will be held in designated outside areas. Substitutions may be made in inclement weather, and at facility discretion.
- 8) All common visitation areas will be completely sanitized between family visits.
- 9) Visitation is still permitted for residents that are quarantining and or those that have tested positive for COVID.
- 10) Any violation of the listed guidelines will cause us to restrict your visitation at FLCL.
