

Kickstart Your Nursing Career At Auburn Community Hospital!

LPN Nurse Residency Program

PROGRAM OVERVIEW

The LPN Nurse Residency Program is designed to support newly licensed Practical Nurses as they transition into their professional roles. This 8-month program combines monthly learning sessions with hands-on clinical experience, providing a strong foundation in patient-centered care, communication, and clinical judgment.

ACH's program is unique in the region and reinforces our commitment to nurturing the next generation of nursing professionals through mentorship, education, and real-world application.
